Mr. Ken Niles, Assistant Director
Nuclear Safety Division
Oregon Department of Energy
625 Marion Street NE, Suite 1
Salem, Oregon 97301

Dear Mr. Niles:

**PROPOSED PLAN FOR THE 200-UW-1 OPERABLE UNIT, REVISION 0 AND
FOCUSED FEASIBILITY STUDY FOR THE 200-UW-1 OPERABLE UNIT, REVISION 0**

Enclosed is the Proposed Plan for the 200-UW-1 Operable Unit, DOE/RL-2003-24, Revision 0 (Enclosure 1), and the Focused Feasibility Study for the 200-UW-1 Operable Unit, DOE/RL-2003-23, Revision 0 (Enclosure 2), for your information. Comments received on Draft C of the proposed plan and Draft C of the focused feasibility study from regulatory agencies and stakeholders have been incorporated into the subject documents. Resolution of comments is currently being confirmed in a series of workshops and follow-on communication with the U.S. Department of Energy, Richland Operations Office (RL) and the State of Washington Department of Ecology (Ecology) technical and legal staff.

RL will work with the U.S. Environmental Protection Agency (EPA) and Ecology to incorporate any final changes to the proposed plan and focused feasibility study within 30 days, at which time RL requests EPA and Ecology concurrence on the documents, and approval to proceed with public comment.

If you have questions, please contact me, or your staff may contact Frank Roddy, of my staff, on (509) 372-0945.

Sincerely,

Matthew S. McCormick, Assistant Manager
for the Central Plateau
